NEWARK SENIOR HIGH SCHOOL VOLUME 66
WRIGHT STREET NEWARK, OHIO 43055

The 1976-1977 school year was an unusual year in many ways. For most of us, it will be the year we will always remember. It will be the year of the energy crisis, the unusual weather, school closings, cancelled events, etc. Yet, Newark High's approximately 2100 students and 125 faculty and staff members spent a great deal of time doing one thing in common . . . waiting. What they waited for, what they are waiting for, and what they will wait for as the years go by can be seen in this pictorial and written account of the months from September — June. As you look through and read this book, think about how you waited, for what you are or were waiting. Consider these for openers . . . Waiting . . . for my 18th birthday . . . for a car . . . for 2:45 . . . to graduate . . . for the drive-ins to open . . . for the snow to melt . . .

SCHOOL LIFE: Graduation . . . to get a good job . . . to go to the pit . . . to find a decent parking space in the parking lot . . . something neat to happen at Newark High School . . . opening night for the first play I have ever been in while at this school . . . the senior assembly to happen so I can get even with all the teachers I have had since I was a sophomore . . . decorating for the junior-senior prom . . . planning the stage design for the play . . . I am waiting for summer to arrive so we don't have to stand outside or in the lunch rooms. I don't like to run out in all of the slushy snow on the side walks. I like warm weather because there is more to do . . . to become a success in life . . . To find the proper parking place for my big car . . . Not to get caught smoking at the pit without a pit pass . . . To get caught at the pit with my pit pass . . . someone to ask me to the prom . . . to throw my hat in the air at the graduation ceremonies at White Field . . . to get the part you want in the play . . . waiting for Mardi Gras . . . for anything to happen.

WE'VE ARRIVED!

The first day at Newark High School was (how should we say?) an experience. As the long-awaited day arrived, the school came to life again with students and teachers. The unsuspecting sophomores looked up in admiration at the worldly juniors and seniors, and the teachers just looked down in dismay. The first day brought many reactions such as baredom, excitement, loneliness, self-consciousness, and confusion. Friendships were made and renewed, and summer experiences were put in the past as the new school year began

COMING HOME!

h illey Karthy Honnohn, Diane Engleheld, Myrna Markte

Finday, October 22, started out cold; the thought of a victory warmed even the coldest fans. The game was Newark versus Marietta, and the air was filled with excitement as Newark romped to a 26-14 victory Homecoming had started with a sweet victory and the crowning of queen Christi Lammers and king Mike Chandler only added to the festivities. The senior float soundly beat the efforts of the juniors and sophomores On Saturday night the traditional dance with flowers, dresses, and suits had everybody looking good for the Harvest Moon Homecoming. Couples danced to the sounds of Gold Coast in the N.H.S. gym from 9:00-12:00 as the night was brought to a close. Memories of a special weekend were made — some which will last forever

BOOKS ARE A BLAST!

Newark High's 1976 Book Fair, held in the auditorium lobby, was a success. A wide range of books were available to choose from, and to promote sales there was a drawing for five, ten, and fifteen dollar gift certificates. The winners were Tim O'Keefe, junior — \$15.00; Gail Zolo, senior — \$10.00; and Becky Baumgartner, junior — \$5.00. The 1976-77 yearbook staff worked to keep the Book Fair organized and well run.

Students reaction to the Book Fair was generally good Many students brought books for gifts as well as for themselves, and many students went to the Book Fair more than once. Some criticisms were: not enough book selections for different tastes and the Book Fair didn't run long enough. Next year will probably see solutions to these criticisms, according to the Reveille staffers.

SANTA BOOGIES!

A Christmas Dance, sponsored by the Junior Class Council, was held on December 21 from 7:30 p.m. — 10:30 p.m. in the gymnasium balcony. Students boogied to the music of the band Stratus, led by Leon Spencer. To add an extra highlight to the occasion a surprise guest, Santa Claus (Earl Karch), sleighed his way through the crowd to bring his holiday spirit to one and all

Newark High really had the holiday spirit at the 1976 Christmas Assembly held on December 22 in the gymnasium. The band and orchestra got the spirit going with some holiday tunes and Mr. Beadle added to the cheer with his imitation of old St. Nick. The chair groups sang up a storm and the swing choir's rendition of "Fruitcake" had everyone laughing. The assembly ended in joyaus refrain as students once again maintained a regular school day routine

SOMEONE TURN THE HEAT UP!

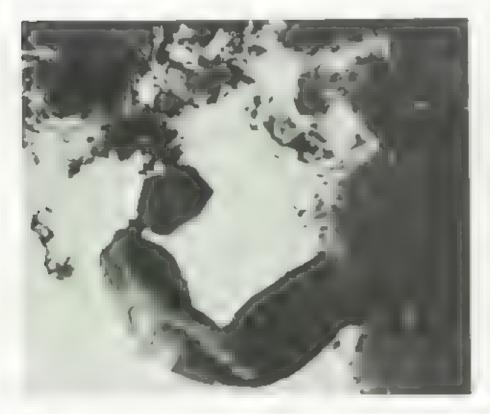

The winter of '77 has truly been one to remember. As the freezing snow came and blanketed Newark High, it seemed to stop all activities. Old Jack Frost began the season nipping noses, toes, and even poor unsuspecting fingers. As the temperatures dropped and many schools closed, Newark High Students braved the terrible winter for the sake of education. Some of the halls and sidewalks were as slick as ice as N.H.S. students learned to shoe skate. As the drifts piled up, a few even learned to mountain climb. Who said school isn't fun?

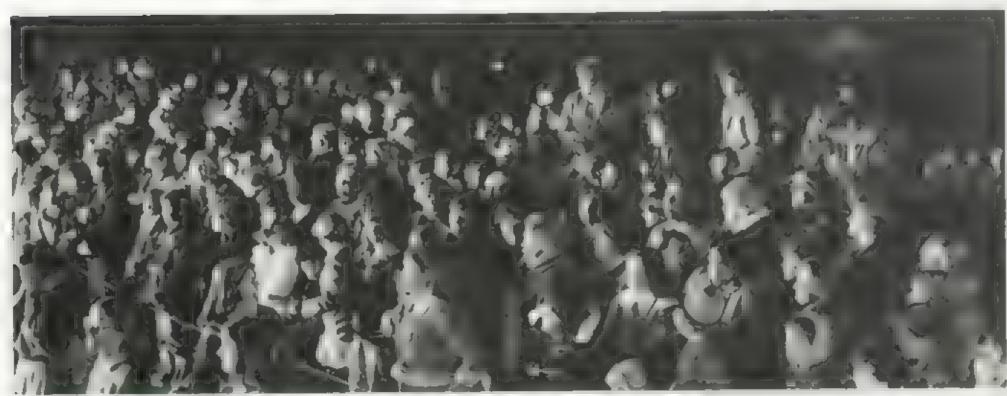

WE'RE FANS-TASTIC!

Football, basketball, baseball, track, swimming! What do they all have in common besides being a sport? They all have fans! And if you are a fan you have your own reasons for going to the games. Some people are loyal fans of NHS who went just to cheer their favorite school on to victory. Then there are the fans who went to scheme on other fans, preferably of the opposite sex, meet friends, and have a good time watching or not watching the game. Some people went to games to get out of the house, party or make fun of the other team's fans. Whatever the reason, NHS students went to the game and found a fan fitting one of these categories

WHAT A BITE!

Have you ever walked in one of the buildings between 11:00 and 1:10 and wandered why there is so much noise? Well, that's when all the lunch periods are held. If you were looking for someone during that time, it would almost be impossible to find them. You could find them wandering around the buildings or maybe out on the grass playing fasbee or football or maybe even down in the bathroom. Come rain or shine there is always someone down at the pit having their daily cigarette. They could even be in the lunch rooms eating and goofing off. Where ever you look though, hope you find whoever it is you are looking for

AS THE "CAROUSEL" TURNS

In November, the drama, choral, and orchestral departments presented the Rodgers and Hammerstein musical Carousel directed by Thomas Humphrey and Lula Vaia The play was about a cocky, young carnival barker, Billy Bigelow, played by Joe Jones, who ran a carousel for Miss Mullin, played by Cindy Fish. Miss Mullin was in love with Billy, but Billy was in love with the beautiful mill girl, Julie Jordan, played by Cathy Brown. Billy and Julie got married. Miss Mullin fired Billy, but she said she would give him back his job if he would leave Julie. Billy refused because he found out Julie was pregnant. He needed money, so he and his friend Jigger, played by Kevin Atwell, decided to rob a ship. They got cought, but Jigger got away. Billy stabbed himself to keep his

daughter from finding out. He went to heaven, but was told he couldn't get in unless he went back to earth and did something good for someone. As the years went by, his wife had been shunned because she was a widow and her husband was a thief. Her only friends were Enoch Snow, played by Jim Bradley, and his naive fiance Car ne Peppendge, played by Barcy Stricker. Billy's daughter Louise, played by Gale Jenkins, found out that her father was a thief and so she feels that she can't do or become onything. When her graduation night came, Billy came back and told her to believe in herself. She then joined in with her class and had faith in herself

The show was a success as it played to two packed houses and a group of area senior citizens

. . AND OTHER GREAT HITS!

From the ancient Greeks to Shakespeare to a modern playwright, Newark High's actors & actresses have done them all. Antigone, a Greek tragedy was modernized so the audience could grasp the full effect of the story. It played to an NHS audience, a Thespian convention in Cincinnati and numerous English classes so many people could see this superb play. As You Like It, a Shake-spearean comedy played four days to the delight of many playgoers (and English teachers) and many students went to learn more about Shakespeare's writing ability. Our Town, a sophisticated drama set in America at the turn of the century played on March 4-5. These superb plays showed how talented the actors and actresses in "our town" are

DO YOU KNOW?

A lot of people know what In-the-Know is, but for those of you who don't, it's a team of students who compete against other schools in their knowledge of past and present world affairs and arts. This year's team consists of Pam Lombardo with a total score of 19 questions out of 31 for 155 points, while Sue Robb scored 23 out of 44 for 210 points, Barcy Stricker scared 9 out of 17 for 125, and Steve McDonald scored 4 out of 9 for 70 points Their first alternates were Kelle Zeiher, Mike Mettile, Mach DeBenedictis, and Cheri Minstermon. Their secand string consisted of Arlin Hill, John Shepard, Terri Hollenback, Jeff Kinder, and Patti Fitzpatrick. Even though they are only first and second string, they also put a lot of effort into the games and preparing for them The timer was Helaine DeBenedictis and scorekeeper was Marie Long. The team met four times a week. On January 31st they played Columbus Whetstone and won-190 to 120. April 11th, they played Columbus East which was won 25 to 80. March 26th the team went to the Cleveland Art Musuem for a day. They finally got beat by Delaware Hayes on May 16 with a score of 185 to 120. They made it to the semi-finals with the help of the Hunt Carlisle Fan Club. Mr. Johnston and Mrs Robertson serve as advisers

THEY DID IT THEIR WAY!

BACK IN THE HALLWAY AGAIN!

Perhaps you've been pushed, shoved, stepped on, knocked down, grabbed a hold of, or got something knocked out of your hands. If so, you more than likely were in the halls of N.H.S. during one of our breaks, in between classes, or during lunch. Well, don't feel bad, we've all gotten it some time or other

If you were ever up at NHS's "Pit", what you would find is this: kids smoking cigarettes, talking to friends, throwing a snowball or maybe a frisbee and possibly people just kicking back and enjoying the weather. Whatever it may be, no matter what time of year, or if the weather is seven below or eighty-nine above, you could always find the "ol" faithfuls" having their fits until they light up a smoke

Ever been wandering around in a big open place with a bunch of crooked parking spaces, smashed bumpers and the like? Well, there's no mistake in guessing your whereabouts. The student parking lot is quite a jungle, with all the horn honking, wheeling and dealing, yelling, and fender benders. And after finding your party'n pals, you stand and talk or plan a race, or may be even go to class. Well, that's life in Newark High School's student parking lot

COLOR MY WORLD!

There are a lot of people at N.H.S. with talent for art You can go just about anywhere and find a drawing When you walk into a classroom, sit down at a desk and look down you can almost always find some kind of art work scrolled all over the desk. There is usually some kind of art work in the showcase windows of the buildings. Go down to the art building and you could probably find someone drawing or painting a picture. Just look around and wherever you look, there is always some kind of art.

YOU'RE MY BEST FRIEND!

LET'S GO TO THE HOP!

Shoo bop, shoo bop, ba da . . . What would you do if you came to school one day and people looked as though they had one, two, three o'clock, four o'clock rocked? There was a day at Newark High when students dressed from the past. The slicked back hair, the pany tails and bobby socks, the Fonzy fellows . . . ooh! To make it seem like the music from way back, when Pat Boone, Fats Domino, Nat King Cole, and many other great singers sang, people brought albums to listen to or even danced dances like the jitterbug or the stroll. The styles of today are on their way back to that hoppin' and boppin' way of dressing. Even those who really didn't mean to dress for the 50's still seemed to fit right in with the 50's fod. On April twentythird, there was even a special dance held, to inspire the memories. Styles change lots of times and this year's styles seem to be on their way back to five, six, seven o'clock, eight o'clock rock, nine, ten, eleven o'clock, twelve o'clock rock, we're ganna rock around the clock tonight

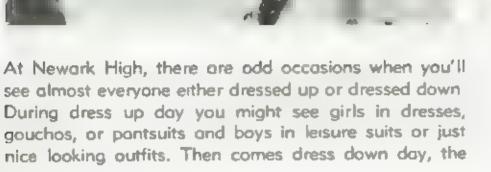

SOME UPS AND DOWNS AT NHS!

time when true imagination comes out, with lots of people in their faded jeans covered by patches and holes and their oldest shirts. It's like show and tell. It's really kind of neat to see people dressing to impress each other, whether it be up or down

The 1976-1977 school year was very newsworthy and one never to be fargotten (at least not soon). A peanut farmer from Georgia named Jimmy Carter was elected President. The first amendment was debated in the trial of Larry Flynt and his Hustler magazine. Billionaire Howard Hughes died leaving about fifty different wills Barbro Walters became the first woman newscaster, coffee prices zoomed, the teenage employment rate went up, the fiftieth anniversary of Lindbergh's trans-Atlantic flight, Stevie Wonder beat Peter Frampton for the best album Granny award, Rocky became the best movie of the year, Farrah Fawcett-Majors became the pin-up queen of all time beating Fonzie, King Kong, and Marilyn Monroe. Local news saw Newark have a wave of fire drills and a snowbound winter

PROMGOERS CLIMB

On a warm, spring May 21, the Junior-Senior Prom was held at the Elk's Lodge from 9:00-midnight, but this was only the beginning of the night. Promgoers danced to the sounds of The New Image. Lisa Smith was elected queen with Connie Musick, Jackie Reese, Cathy Brown, and Cristi Lammers as her court. The senior after-prom was held at the YWCA with the band Stratus providing the tunes. The junior after-prom was held at the YMCA with the band Andromeda providing the music. Gambling, eating, socializing, prizes, friends, formals, pictures, and memories mode this a very special night

"STAIRWAY TO HEAVEN"

IT'S THE RIGHT TIME OF THE YEAR

For teenagers, the best time of year is always spring and summer. The time is right, for one reason, because school is coming to an end. Seniors, all too soon, sadly bid their good-byes to many faces which won't be seen any more. The juniors and sophomores say their good-byes, but with a much different autlook. They hope for times next year with even new and old friends. The last weeks of school are happy times. The singing birds, the budding of trees, the greeness of life, it all brings a spirit of lave and adventure to everyone's eyes. At Newark High the same thing goes — couples sit beneath shade trees, other plays play football or frisbee, friends sit around talking, laughing or planning their summer fun of peaceful easy feelings. It's a perfect time of year

SENIORS PARTY AT ASSEMBLY

Where else can you see KISS live and in concert besides at a rock concert? Well, right here at NHS's Senior Assembly. Of course, it wasn't the real thing, but they weren't bad for amateurs. They mimed the songs "Rock and Roll All Night" and "Cold Gin." Also performing were nine senior guys dressed as ballerinas dancing gracefully around the stage. (Or could we say stumbled around the stage?) Other highlights were the stage band playing one of Carol King's songs, "Cortisone"; Joe Jones played the piano and sang "Weekend in New England;" Holly Richardson also did a solo act singing "Don't Give Up on Us Baby," with Judy Eckstein accompanying on the piano. Other highlights were the senior Wildcatettes dancing to the Kentucky Fried Chicken song accompanied by the stage band, S.A.C., consisting of Sylvia Noble, Angie Evans, and Cindy Fish, singing "Walk on Down the Road," and senior guys taking time to celebrate with Mr. Nabors and Mr. Roberts breaking it up There was also a model show imitating the kind of clothes teachers were to bed. Now wouldn't you like to know what Mrs. Klink really wore to bed?

THE DAY HAS COME AT LAST

To most students at N.H.S., their favorite day is the last day. The last day of school will find most people running around saying their goodbyes until next year, and the seniors saying goodbye forever. As you walk down the halls you'll see people cramming for their next exam or just walking along taking life easy. But no matter what you see them doing, you can bet they are glad it's the last day of school

You've Come A Long Way, Baby!

Finally! The time you've all waited and worked twelve hard years for has come. That's right, groduation. Anxious hearts were everywhere just waiting for their final walk — the walk to a new career and a new life when each of Newark High's 650 students in the graduating class came to White Field to receive their diploma. On June 12, 1977, it all happened. For seniors, it was a long wait

C.C. TEAM RUN DOWN

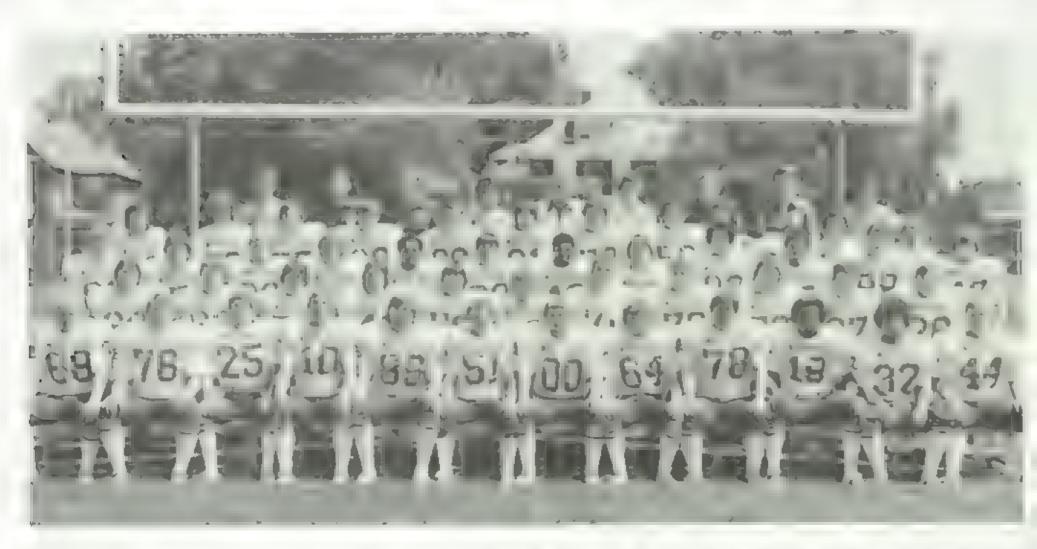

The N.H.S. cross country runners ran into problems this year. Coach Phil Torrens stated the problems this year as inexperience and not enough members on the team. However, the future looks quite good since all of the members of the team are either juniors or sophomores. Bob McGill was the most consistent runner; Tom Bornaba and Alan Hanson were the most improved runners.

'CATS CLINCH COL

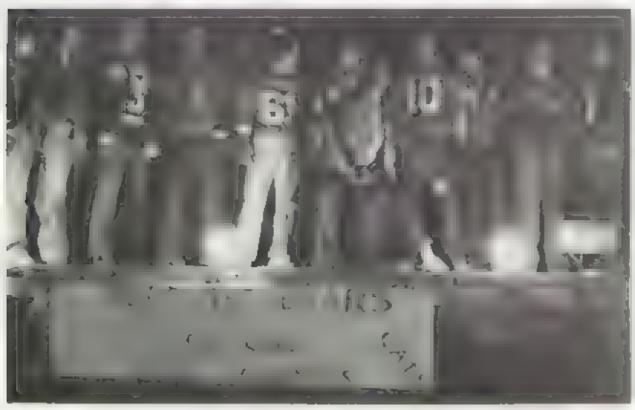

A PART OF THE PROPERTY OF THE

FOR SECOND YEAR;

This year the NHS football team chalked up another impressive season Despite their three losses, the 'Cats came back and clinched the CO.L. title for the second year in a row. Coach "Hoss" Starr was again awarded Coach of the Year honors. The practices were long, hard and cold, but it all paid off for the 'Cats. Beating Upper Arlington and Zanesville are what really took the C.O.L. title. Of course, Chillicothe was the icing on the cake. Coach Starr, retiring ofter this season, sees next year's team as excellent because of a number of promising sophomores. The juniors that will be seniors next year will have to show strong leadership to make it another successful year

STARR RETIRES;

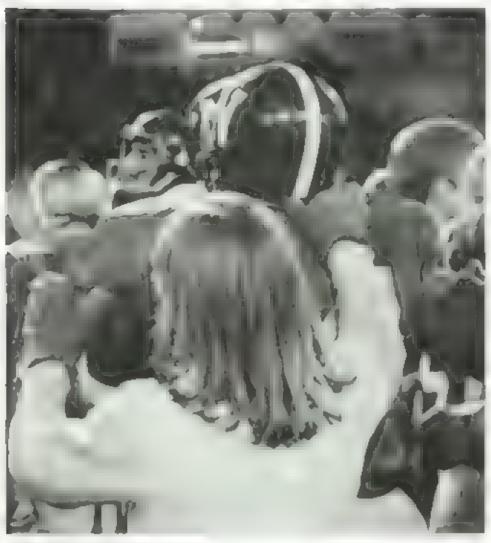

After twenty years of coaching, the last fourteen years as head coach, Paul "Hoss" Starr has resigned from coaching

Starr has been head coach at Newark for eight years. That is an experience which he says "wouldn't be traded for anything." His record of 100 victories, 39 losses and 2 ties is really an achievement.

Starr started thinking about spending more time with his family, being able to do things that weren't possible before because of football. Of course, he will miss the challenging things football placed on him, although he doesn't think he will miss the physical and emotional drain of football

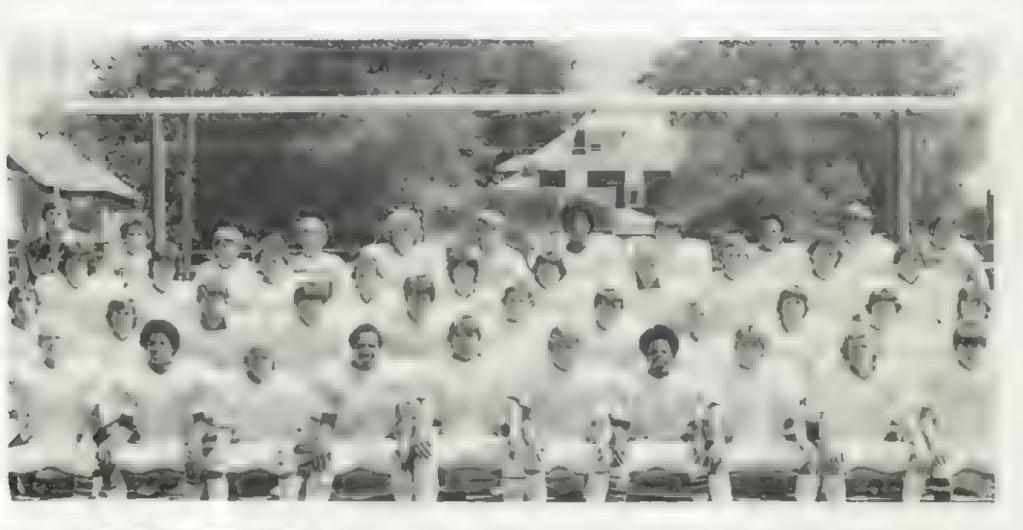

Coach Starr has received many awards for his coaching career. In 1975 he was named the Central District Class AAA Coach of the Year. He also repeated the honor in the C.O L. and Region 11. In 1976, he repeated as C O L Coach of the Year and in the regional also

In the first year of varsity and reserve competition, the 1976 Newark girl's tennis team competed very favorable. Under head Coach Mrs. Jonet Smith, eleven girls brought their record to an overall 8-3 and their COL record to 4-2. The girl's tennis team ended the season by placing third in the COL tournament. Considering this was their very first year, Coach Smith felt this was very commendable. The girls who tried- out had to last through the August practices and had to play a round to determine first through eleventh positions. All together there were fifteen girls who tried out. Practices lasted two

hours a day in August and reduced to one and one-half hours from September through October. Though this was their first season, it went very smoothly since getting a new program set-up is always a problem

Mrs. Smith would very much like to see more girls try out and have more matches added to the schedule. Mrs Smith, who loves coaching, said she probably learned much more from the girls than the girls learned from her. She says with a year's experience, she plans to do a better job as a coach in the future

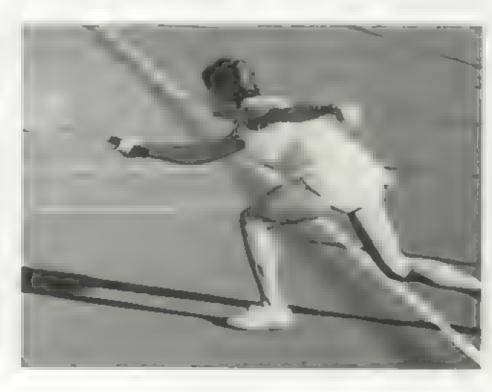

NIS SEASON, 8-3

GOLF TEAM NOT UP TO PAR

Although this year wasn't the best year for the golf team, Coach Jerry Hotcher pointed out that next year should be a successful year with only two players being lost to graduation

Overall, the team lacked experience and consistency. This could have been accounted for by the fact that the team had matches five days a week during some weeks. This left very little time for practice.

Coach Hatcher enjoyed his first year as head coach. He felt that although the team didn't have a good year, they learned a few things about golf, themselves, and life, which is what any form of athletics is all about

Jim Stevening and Jack Larry were the top players. Jim, a senior, was captain of the team and won the medal for the lowest average; Jim had an 81 in the sectional on a bad day which was the fourth best score and just missed going to the district. Jack Larry had a low nine hale score of 36

Newark's volleyball players did very favorable considering the varsity team consisted of many juniors Both teams improved greatly throughout the season and next year looks very hopeful. Both teams, varsity and reserve, worked hard all season, and there are a lot of hopes for next year's varsity team, "Both teams were inexperienced from the start, but they put a lot of hard work into playing Practice consisted of five days a week, and by the end of the season, they came out to be a hard working team that played very well together. It's just too bad that they didn't reach this earlier in the season," said Coach Pumpelly. The teams didn't compete in COL league play, but they did have a COL tournament that was held in Lancaster which was won by Upper Arlington, "In the COL league, Upper Arlington is by far the best team," stated the coach. She also thinks that they should play against more Columbus schools

because this will get them ready to play and beat the schools they do play now because she thinks Columbus schools play volleyball better then the schools around us play. The only problem that was mentioned was that the teams were inexperienced; nevertheless, the varsity played to a 10-5 record, and the reserve ended with a 9-4 record

This year's wrestling team was extremely young and inexperienced, which may have caused somewhat of a slow start However, that young and inexperienced team can expect some big improvements next year. Out of a team of 36 members, 26 members were sophomores, which should make a very strong junior class next year. The team did improve throughout the year and peeked at the COL, meet, Newark finished third in the meet behind Grove City and U.A. Individual C.O.L. champions were Jamie Ciminello at 98 lbs., Paul Kerr at 112 lbs., Dave Bradford at 138 lbs., and Mike Chandler at 167 lbs. In the sectional meet Phil Holcomb, D. Bradford, and M. Chandler advanced to District. In District, Bradford finished 4th, Holcomb, 2nd. Holcomb qualified for state. Bradford, Holcomb were chosen outstanding wrestlers on the Varsity squad, Mike Hill was outstanding reserve wrestler and Brian Walsh won the Wildcat award for outstanding effort and determination

Newark's basketball players did reasonable well considering it was a rebuilding year, and they had many cancellations. The only problems they encountered were the facts that they need more prople to be managers and dedicate themselves to basketball and to get people to come to their games. Mrs. Walters, the coach, stated that Triple A schools have been tough, and on account of this they had several scrimmages early in the season to help them get prepared for the season. The Coach's outlook is optimistic if there will be a good return of players who are ready and willing to work hard and put time into basketball. The Coach would also want to mention some "thank-you's" to all the managers, timers, statisticians, Miss Pumpelly, Mr. Allen, and to the team

A WINNING YEAR

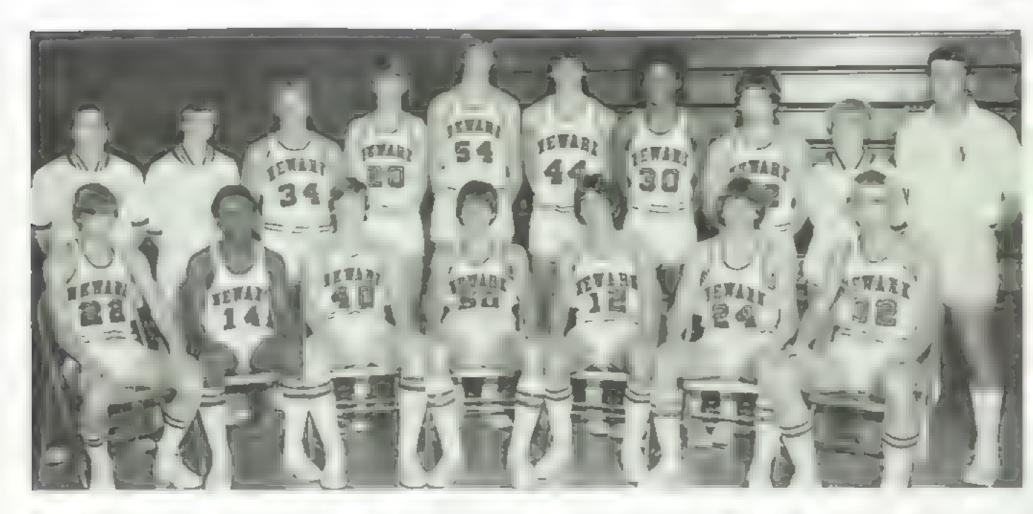

This year the 'Cats had another successful season, although they were plagued by injuries. This was one of Newark's best years in shooting even though they were not so hot in the tournaments. The 'Cats averaged sixty-eight points a game

Coach Walters commented that beating Middletown was the highlight of the season. Chris Franga and Chris Ash were this year's senior stars. They both made first team all-C O.L. Franga made second team all-district, Ash first team all-district. Bill Keck, Mike Ward, and Kelly Wohlheter also had a good season. Mike Ward and Kelly Wohlheter were honorable mention all-C O L

It will take strong leadership of seniors next year to give the 'Cats a more successful season

The 1976-1977 Newark Gymnastics team's results were rather pleasing considering they encountered some problems dealing with the weather. Between January 15th and February 3rd, the team had four meets cancelled, some of which were very important. The team had five teams on their schedule that they have never competed against before. These five teams were Bexley, Brookhaven, Westland, Franklin Heights, and Buckeye Valley. They have played those teams in the large district meet, though. All but one meet between the five listed were cancelled by snow. Another problem they had was with the judges. It was so hard even to get the minimum number (4) for a meet and then several times they didn't even show up. Coach Dawn Worley stated that with the spectators they really had an improvement She said that in the past the teams would be lucky to get five people to come watch, but this year they had as many as thirty people who came several times to watch Plus they even had more people going to their away meets. The coach stated that the girls worked hard for five months at Franklin, and she wishes they could have

more fan support. She also stated that they didn't even make enough money in gate receipts to pay their bill for the ribbons they awarded at the meets. Diane Dusenbery was selected Most Valuable player. She had top single score in all four events, Best average score in all four events, and became the first and only Newark Player to compete at the advanced level. She has also been selected to be a member of the Eastern Kentucky gymnostic team next year.

This year's girl's track and field team was very successful. They got third place in their district, and they took two girls to the state competition. The two girls who went to State were Myrtle Choice and Kathie Hannahs. Choice took first place in the long jump with a jump of eighteen feet nine and a half inches and Hannahs took third place in high jump with a jump of five feet six inches. The biggest problem Coach Pumpelly had was the number of participants. She wishes she could use many more girls on the team. Not having enough team members put a big load on the other airls because they have to participate in four events per meet. She thinks that with the girls who were involved this year that the team will be very promising next season. She also is getting some girls from the junior highs who she thinks offer promise for next year.

The 1977 NHS track team had a very good year. The main event was finishing first in the Newark Relays again. The biggest disappointment of the year was finishing second in the COL

Looking over the team, Chad Lewis was one of the outstanding team members as a distance runner. He broke the school record for the mile run twice. He now holds the school record in the mile run at 4 23.6 He also qualified for the state meet. Other outstanding members were Paul Bridge in the field events and Mike Ward and Cornelius Cherry as sprinters on the squad. Jeff Wachter was voted most improved member of the 1977 team

Although the NHS swim team won only four out of twelve swimming meets this year, the Aquacats did finish third in the C.O.L. league meet at Upper Arlington. One of the main problems this year's team faced was the weather, which caused the cancellation of four meets

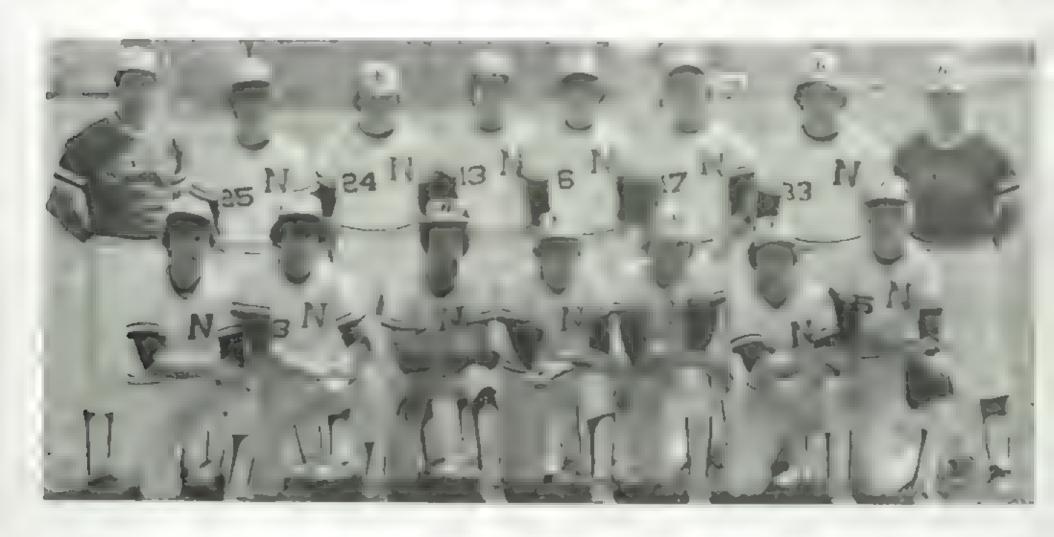

Next year the Aquacats should be strong because of the experienced swimmers returning from this year's team. They are: (second year award winners) Nancy Price, Tom Schmidt and team manager Larry Lowendick; (first year letter winners) sophomores Brad Hunt, Bob Shadwick, Rocky Smith and junior Curt Kitchens (a transfer from Utah). Third year award winners were seniors: Chip Hammack, Mark Justice, and Reagan Minser.

Among the awards given this year were: The "Most Improved Award" which went to Rocky Smith; The "Most Valuable Award" which went to co-captain Chip Hammack; Reagan Minser (co-captain) received an award for finishing sixth in the State Diving Competition; Chip Hammack received an award for finishing as District Runner-up in the fifty yard freestyle.

This year the Newark High School tennis team had its winningest season in the history of Wildcat tennis. This year's seniors were Eric Nyberg, Tom Robertson, Doug Lake, Tim Ritchey, Jeff Walker, and John Grover. Juniors and sophomores were: Tom Albyn, Roger Hill,

Steve Sundberg, Kirk Vanatta, Warren Koontz, Charles Koontz, Roney Murphy, Tracy Hollis, Steve Carpenter, Corby Darling, Willie Petersilge, Todd Chapman, and Johnny John

Led by Grover, fifteen wins-two losses; Lake, sixteenfour; Robertson, fifteen-five; Nyberg, fourteen-five; Hill, fifteen-four; Albyn, ten-ten; Walker, nine-two; W. Koontz, eight-five; and Tim Ritchey, one-zera, the Wildcat tennis team went fifteen-five on the season.

Though they placed third in the C.O.L., the highlights of the season were Tom Robertson and Eric Nyberg reaching the semi-finals of the AAA Central District in doubles. In dual matches, Eric Nyberg defeated the O.C.C. singles champion. Doug Lake (with some help from John Grover) beat Worthington who also were O.C. doubles champs. If Newark had been accepted into the Ohio Capital Conference with other Central Ohio League schools, Newark would not lose any ground during tennis season. Though this year's Newark High Tennis team was one of the best in the school's history, the tennis 'Cats will be back next year for another great season.

During the 1976-77 school year Newark High School was involved with three International Field Studies field trips. The trip to Andros Island in the Bahamas was a ten day noncredit introduction to skin diving, SCUBA diving and manne biology The weekend trip to Carter Caves in Kentucky was designed to introduce students to the principles of spelunking (caving). IFS conducted a 38 day field ecology trip to the Northwest United States and Pacific Coast, This course emphasized field ecology for which the students received one unit of high school credit. Newark High School students have traveled, comped, and studied in almost every national park in the United States and Canada. The teachers who planand conduct these extended field trips feel that students learn to appreciate nature and the wilderness by becoming an intricate part of it. Newark's Resident Environmental Education went into its eleventh year this spring, and 145 juniors and seniors participated in the program as counselors. Over 300 people applied for the program, and those chosen spent 30 classroom hours in R E E. Counselor Training — a course given credit for the first time this year. Those chosen accompanied Miss Kathleen Fortman, REE Director, to LUTHERN MEMORIAL CAMP one week during April and May to serve as cabin counselors for 6th-grade students. These counselors also served as teachers in one of five habitat classes (forest, awareness, stream, pond, orienteering) several times during the week

The Occupational Work Experience Clubs were active this year as some of their main objectives were to give the students an opportunity to improve leadership skills and involve them in social, civic and educational activities. These activities included helping the needy and holding a banquet for employers

TRAINING, AND ON THE

Probably one of the busiest groups at Newark High is the Diversified Cooperative Training Section of VICA. DCT is a part of the vocational course and is designed to develop leadership and social skills

Instructed by Dr. Lewis P Burrell, the group of thirty students aided community projects such as the swine flu innoculation, the Cedar Hill Cemetery Project and State Leadership Conferences to mention just a few

JOB RESPONSIBILITIES

Sitting: Nannette King (the schools first — first place winner in Business Vocabulary), Myra Mummey, Shela Triplett, and Mike Balland Standing. Mr. Timathy McGuire (advisor), Connie Musick, Ten Solyer, Jaddie Graver, and Kathy Conley. Row 2. Paul Kraning, Derek Shaner. Mike Correll and Bill Lowendick.

Advised by Mrs Shirley Fetter and Mr Tim McGuire, the Newark Deca I and II Clubs prepared students for jobs by promoting social fellowship activities. Two of these were the Blood Drive and a party for shut ins. At their meetings, activities, plans and committee reports were discussed. In order to support the clubs, Deca I and II had sales projects which helped to further the students training and sense of responsibility.

This year all four groups (Concert Choir, Swing Choir, Men's Chorus, Girls Glee) were commended for entertaining the community and state by countless numbers of civic and social groups. These musical groups performed everywhere from within the confines of the NHS auditorium to the Dover Choral Festival (with five other groups) in Dover, Ohio They also travelled to Ontario (Ohio) High School, where they all received superior ratings in state large group contest. They ended the year by performing in a Spring Concert to two packed houses in late May

Covering the activities of over two thousand one hundred students is not an easy job. It takes a large, hard-working staff to cover the activities of NHS. The staff of the Compedium, headed by Mrs. Taylor, informs the students of NHS of coming activities and achievements of their fellow students by publishing a monthly news magazine at a relatively low cost. At the end of the '76-'77 school year, these students were honored for their achievements at a banquet at the Sheraton Inn

The NHS speech and debate club, officially known as the N.F.L. (National Forensic League), had a very productive year, both financially and competitively. Coached by William Zahn and first year coach Jeffrey Grindrod, the thirty-two member team went to several overnight tournaments around the state, corrying away many awards. The club took care of their finances by selling lollypops and candy canes. According to the coaches, it was a "very successful year."

FACULTY I am waiting for the day when my students ask for extra homework because they enjoy doing geometric proofs so much. Do you think that will happen in 1977-1978?——Someday I hope more girls will want to participate in girl's athietics at the high school. I want them to give 100% both in practice and in game regardless of how tired they may be, how often they have or have not played and how many times they disagree with the coaches. Maybe girls will want to give their all someday without compraining.——In the past, I waited for a chance to teach at the high school instead of the junior high school level. I am currently waiting for some of my high school students to become more serious about their studies and their future. In the 1977-1978 school year, I will be waiting to see the students. I have now graduated and prove themselves to the real world.——Summer vacation.——Senior Assembly.——To flunk all the students who make trouble.——For lunch.——For a raise in pay.——For a peaceful quiet moment to myself.——For the end.——During

the winter of 1977-1978 I waited far warmer weather. Once spring arrived I waited for my students to get over their spring fever so that they could get back into biology. I am now waiting for the year to come that has spring like temperatures every day so that we can be comfortable and get into biology all year long. I am waiting for the In the Know team to win all their matches. To see the faculty win the junior-senior basketbail game again. For the announcement that there is no school on those snowy mornings. To have a small study hall in one of the 101 rooms. To have an office which is neat and clean for a change. To have a homeroom which really listens to the announcements. For the bell to ring for the last time in June. To have all the students in my class behave like Lexibect them to. A warm winter. Free lunches. Some days to relax and do the things I want to do when I want to do them. For no one to hit me up to buy something to support some club or activity which desperately needs money to keep going.

SOPHOMORES Till next year so Paul will be up here with me For next year's sports teams To do some activities in GRA For the bell For next year To make it for Wildcatettes To go to N.C. For Sugar's For the school year to go as fast as summer vacation does. All the days we get out of school. Vacation Getting out of school for good. More days out of school. Summer A new motorcycle. For my graduation and driver's license. . . For school to get out so I can go to Hawaii. . Can't say . . . Summer so I can go water skiing. For some special person to ask me out again. To get first piace in the NHS bowling league. To get taller. To get smarter. To get fatter. A vette. For baseball. Tim Ritchey. To become a junior. A chance to take chemistry.

It's change. And you can still get it at McDonald's.

Our prices are still terrifically reasonable. And you can still get terrific than is to eat for under a dollar.

So, why not eat at McDonald's soon? The change will do you good.

If you don't know what this is, you're not eating at McDonald's.

We do it all for you.
